## Maua Kenya 19th to 23rd August.

Dear Prayer Partners,

We are back in Kenya planning our next Gospel Crusade and Fire meeting in Maua Kenya for the 19th to 23rd August. Irons are in the fire for two more Kenya Crusades: 17th to 22nd November and 2nd to 6th December.

I have been meditating on Proverbs 4:18 and contrasting how those in Christ have hope, but how hopeless it is for the wicked.

*The path of the wicked is, hopeless, dark, gloomy, slippery and dangerous. While the path of the just, is like the crystal clear light of morning sunrise, the gleaming of the sun on new grass after rain. Shining ever brighter till the full light of day (Proverbs 4:18).*

For us who live in the light, it is our privilege and duty to carry "the light of the glorious Gospel of Christ" into the darkest corners of the world. We do this by preaching the salvation message to the lost souls, leading people from darkness to the light of Jesus. In every outreach we do, it is our vision and desire to win the lost and see harvesters arise. I can hardly explain the urgency that grips my heart at the vastness of unreached areas in Africa alone, and so it is that, with a renewed passion, we continue to reach out to these remote areas in Kenya. ### Our new Land Cruiser!

Thank you Lord! As many of you know, we have been trusting and praying for a Land Cruiser for our East Africa Team. God is faithful; and we now have a Toyota Land Cruiser that is in good condition! It has been purchased and is currently parked in England waiting to be shipped to Kenya. Our next step is to actually get it to Kenya and pay the import duties to the Kenyan government. Please aid us to get this vehicle into Kenya. It is not just another car to have in Kenya; it is a tool to help us carry the light of Christ into the darkness.

### Our Vision for Land in Kenya

Evangelism backed by prayer is an unstoppable combination. Imagine a centre from which strong prayer and intercession goes forth, and from that same centre, anointed exploits are carried into areas where no light has ever penetrated – where Jesus is not known, and where the good news of salvation in Christ Jesus has never been heard. Imagine a home and base for Evangelism and prayer for Africa until Jesus comes! More to be announced soon.

### Visit Kenya and see a Gospel Crusade and Fire Conference for yourself.

We love having guests; Kenya is an excellent location to visit and has the added benefit of combining a trip with a game-viewing excursion or a coastal holiday. Contact us if you would like to visit any of the Gospel Crusades.

### RFM Prayer for Kenya

We all know how quickly a tank of fuel gets used up in our cars. Well, in the same way that diesel or petrol fuels our cars, prayer fuels the ministry. Just because we filled up once last week does not mean that we do not have to fill up this week. In fact, the more active we are, the more we have to fill up. With a full tank, I can achieve much. Those who back their ministry with prayer will achieve much and go the distance. Prayer fuels the move of God and prepares the way.

Please join us in prayer for Maua. We cannot go to Maua on an empty tank! It is your prayer and your support that makes these outreaches possible. We say "Thank you", in anticipation for your help.
