Using Gift Aid means that for every pound you give, the charity you are supporting will receive an extra 28 pence from the Inland Revenue, helping your donation to go further. This means that a donation £10 can be turned into £12.80 just so long as donations are made through Gift Aid. Imagine what a difference that could make and it doesn't cost you an additional penny.

I would like to make a donation to Revival Fire Ministries using Gift Aid. My details are:
